To whom it may concern

Over the last three years Instinctively Wild have been running Forest Schools and John Muir Award projects for Trinity Primary School. These projects have been predominately for children with low self-esteem and confidence issues.

Instinctively Wild have been outstanding at devising programs to meet these learner's needs, whilst at the same time providing informative planning for teaching staff and management. Their attention to detail regards H&S has always been thorough and diligent and they are continuously open to discussing and adapting to the needs of the school.

I can highly recommend Instinctively Wild; anyone working with them can expect a first rate professionally delivered service.

Yours sincerely

Mrs Karen Dixon
Headteacher
